

# AGEAS LOBBYING & MEMBERSHIP DISCLOSURE

## DISCLOSURE ON EXPENSES RELATED TO LOBBYING ACTIVITIES AND MEMBERSHIPS FOR THE YEAR 2022

When undertaken with integrity and transparency, lobbying is a legitimate activity to engage in as part of the deliberate process of law making. Ageas's intention is to report on its lobbying activities and the expenses related to it. This disclosure includes the total amount spent on memberships and on lobbying Group-wide on an annual basis, as well as the 3 membership organisations receiving the largest contributions. The following overview includes amounts spent on lobbying practices, and membership fees to national and international organisations endorsed by Ageas SA/NV through its consolidated entities. These memberships can include trade associations, industry associations and business associations who, in certain cases, influence governments' or institutions' policies and decisions on behalf of its members.

### Lobbying activities at Ageas SA/NV<sup>1</sup>

**Total expenses in 2022: EUR 1,644,787<sup>2</sup>**

### Memberships at Ageas SA/NV

---

<sup>1</sup> This amount differs from the Transparency Register disclosure, as the latter only concerns the annual costs related to activities of the register (costs related to the EU institutions), which were estimated at less than EUR 10,000.

<sup>2</sup> This amount only includes contributions made to trade associations registered as lobbying associations. No direct lobbying activities are being done at Ageas SA/NV.

*security systems, training and apprentices and supply of data that insurers use to define a car's insurance grouping.*

3. Portuguese Association of Insurers  
*APS or the Portuguese Association of Insurers is the local organisation grouping all local insurance and reinsurance companies active in the Portuguese market.*

The top three membership list of Ageas comprises organisations that are active in the broad domain of insurance and insurance related activities or research and are located in our three main European markets. In total the contributions to these three companies represent 63,7 % of the total amount of memberships paid or EUR 2,400,293.
